Divine right of kings - Wikipedia

The divine right of kings, divine right, or God's mandate is a political and religious doctrine of ... The state of **monarchy** is the supremest thing upon earth, for kings are not only God's lieutenants upon earth and sit upon God's throne, but even by God ... For there is no power but of God: the powers that be are ordained of God.

**Queens, God & Government - Juicy Ecumenism** <https://juicyecumenism.com/2016/11/16/god-government/>

Nov 16, 2016 ... **Monarchy** is God's sacred mission to grace and dignify the earth, to give ... believing in "separation of church and state," and that the clergy are ... And yet this spiritual view of **monarchy** does not claim coercive political power. The divine right of kings, or divine-right theory of kingship, is a political and religious doctrine of royal and political legitimacy. It asserts that a **monarch** is subject to no earthly authority, deriving his right to rule directly from the will of God.

**meaning - 'Preternatural' vs 'supernatural' - English Language** ... <https://english.stackexchange.com/q/34643>

The fruit of the action of an angelical or demonical nature is said to be **preternatural**. The word comes from "praeter naturam", beyond nature. **Supernatural** is the action which goes beyond any created nature. This form of activity belongs only to God.

By the 16th century, the term "**preternatural**" was increasingly used to refer to **demonic** activity comparable to the use of magic by human adepts: The Devil, "being a natural Magician ... may perform many acts in ways above our knowledge, though not transcending our natural power."

**Paranormal:**

"para" is Latin for "beyond" – so it literally means "beyond natural" "claimed occurrence, event, or perception without scientific explanation, such as extrasensory perception" "beyond normal explanation; outside normal sensory channels; extrasensory" "not scientifically explainable; supernatural" "defies science; against reality" **Supernatural:** "not existing in nature or subject to explanation according to natural laws; not physical or material" "attributed to a power that seems to violate or go beyond natural forces" "attributed to God or a deity; demigod, spirit, or devil" "preternatural" "attributed or pertaining to ghosts, goblins, or other unearthly beings" "an order of existence beyond the visible observable universe; related to the realm of the unexplained" **Preternatural:** "surpassing the ordinary or normal" "extraordinary" "transcending the natural or material order; supernatural" "existing outside of nature" "another word for supernatural"

1. GOD – supernatural 2. Vampire – preternatural 3. Ghost – paranormal 4.

Zombie – preternatural 5. Werewolf – preternatural 6. The Fey – supernatural 7.

Alien – supernatural 8. ShapeShifter – preternatural 9. Poltergeist – paranormal 10. Witch/Wizard – paranormal and/or preternatural – which one would it be? Paranormal because it goes beyond

the five senses but Preternatural because it goes beyond scientific explanation but is from this world.

## King Ruler God 1900TH century Records of God

On record living threw reincarnation since 1909 coming back to his island Belfour Salt Cay changing his appearance around the end of 1930's-1954 to Lloyd George Been who was said that people impersonating his family tried to kill him some claim he was swallowed by a whale or fish but no body was ever found and funerals were staged later it was learned preternatural criminal enterprise made his body astral and inflected memory loss to forget his wealth, children or accomplishment and how to operate supernatural power at times the young Ruler would be sneaked thieved by criminal enterprise impersonating family and left Ruler at times not even remembering how to read or write . Also framed attempts as a drug dealer or gangster around the 1950 after criminal enterprise was caught stealing his family bodies (Astral Body)to get to finances preternaturalism caught selling drugs under his name and using his body unbelievable to American police and federal authorities but Turks and Caicos police knew of Lloyd wealth. After several adempt attempts and supernatural power was manipulated to operate preternatural a.k.a demonic disowned son Shareefe Gilyard , mother She She Gilyard and some of the Elam family and celebrity Kimora Lee Simmons are repeat fugitives convicted and banished for parallel schemes the local police of Salt Cay helped prove memory loss & test that prove i was tranquilized to a kid and with bank accounts he forgot about thinking he was poor but had Tillions of dollars in accounts in the house. Found around 1954-55 out his body as a loss soul the King made the body he is in now holding the same body since the 1950-. of hatred and jealous of wealth and family bond between daughters and scared of criminal due process but the money ,knowledge ,work ethic ,writing ,documents proved everything to Mr. Rubin it was the only way I could prove it after a pervious ademption and stolen documents .Russell Simmons cooperated with a scheme to cover up history and ancient Facts and intentionally helped then wife Kimora and Rulers biological daughter Aoki a staged daughter for Kimora in a international cover up and conspiracy to deprive and mislead billions of people and Ruler . He mislead the world with fake or staged news, reports and photo ops claiming that's his daughter leading to him being Framed and caught in his current rape scandal that was investigated and was found Kimora has a Astral body and has been caught before in Russell body . NYPD (73pct,69pct,67 Flatbush pct. AND FEDERAL SYSTEM covered up reports and preternatural behavior and activity of Kimora Lee Simmons abusing her public figure status demoted to "limited purpose" Ingenious ,acting concerned but have other motives, lying or misleading informant leading to Russell Simmons current character assignation because he lied and said facts were untrue and preternatural can't happen or reincarnation is myth, not mythological going along with Kimora and criminal enterprise who are not as financially stable as Russell when he had to kick up to much money and wanted out they public assinating his character and set him up to extort sometimes just to keep silenced with threats not to talk about topics as sensitive as preternatural rape .
