SUMMARY

Celebritys sexually abused and molested me at a young age of 18. The proof of this is our 15-year-old daughter Aoke Lee.

This happened in Brooklyn where I lived. She was dealing with a man named Allen Jones who illegally impersonated my uncle, but when she came over I use to be asleep and sometimes I would wake up with my pants to my knees with her running out the room. Sometimes, I would wake up to find her on top of me and other times I would wake up with my penis smelling bad and you can see that semen had been ejected. That's how she got pregnant.

I used to see the little girl; now they both have my books and are tempting me. They are misleading the court's legal, businesses boards, and partners about my sensitive case of reincarnation.

They have falsified documents claiming I died so they can hold on to stolen property with a phony estate with no legal defence. I have been proven to be the first man reincarnated, and the last reigning king of Windsor, Turks & Caicos, and America by Guinness Book of World Records and doctors' tests. I was transformed from Lloyd Been back to Kevin by a cosmetology transformation done with my device that made radio & TV signals, cell phone, internet and Wi-Fi signals.

Kimora Lee Simmons is a threat to society stealing and sneaking books that deal with inherent behaviour, reincarnation secrets, scientific material, memory loss and other secrets. She wants access to my power source which I am about to use to heal diseases, disabilities, and more. The books to operate this device have been stolen by Kimora Lee Simmon's cartel or criminal enterprise who is the only ones who knew about these world facts. This led them to rob and kill my housekeeper in Turks & Caicos and the lady who watched me in America has cooperated with this criminal enterprise claiming to be my mother and falsifying birth records. They were all coached by Kimora Lee Simmons Perkins.

Beware of Kimora and her criminal enterprise. They are expert liars, construing facts and when questioned they act naive on purpose. We will see that when the courts are built in Salt Cay,

Turks & Caicos, some will be executed by my squadron after being banished from the island for many robbery attempts.

Charges Suit - Business Obstruction

She has construed facts to business partners claiming I died and that the debt should go to my estate. She destroyed government and intellectual property along with my court documents regarding the sexual abuse and rape case when she was banished from Turks and Caicos Salt Cay.

Kimora and her criminal enterprise stole, looted, swindled, falsify documents, construed facts, tampered with secret scientific material when they stole my book from my daughter at my house. It's as if they are capable of disconnecting your soul from your body, making you into a ghost.

It was an intentional conspiracy, an attempt to murder using cosmetology tools to give heart attacks, cancer, and other diseases. Celebrities such as Prince, Michael Jackson, and Whitney Houston all died because of a cosmetology pill which attacks the body when it is heavily medicated or drugged. It is complicated.

I am bringing a suit against the criminal enterprise which includes the following persons; Gerdes, Clarice, Kingsley, Graff Been, Kimora Lee Simmons,, Aoke Lee, William, Katherine Martin, Shaquana and Rodney Elam, Sheryl Word, Asia and Sharief Gilyard, Erica Tinsley, Maria Escabar, Tammy, Yolanda, Perry Holdman, Ebony Weathers, Barkem, and Michelle.

This is not a case; they lied to the Turks and Caicos government about everything. They say I am an executioner from a small island called Salt Cay, in Turks and Caicos. Clarice and Greffie Been , Jean Been-Baptiste, Patricia Been, Peggy Been ,they attempt to destroy me, cooperating in an identification theft criminal enterprise, tampering with secret scientific material causing conflict of science (global warming) and other natural disasters , and construing facts. The suspects have been claiming to be my family. Gerdes even claim to be my mother, falsifying documents by signing claiming to represent me filing for American citizenship, applying for passport , closing bank accounts at Hank Kong Shanai Banking Corporation.

If you ask Gerdes she still claims over the phone to be my

mother even after bringing a suit and pressing charges when she refused to get tested. They also lied over the phone about being the children of Lloyd Been and Irene Been-Leggett my housekeeper. I stopped using the name in 1954 all of them was born two years after 1954 and they never met him.

They all took cheque books, cosmetology books so they could work my cosmetology device from home. Personally, I think Gerdes Lee cooperated with the whole operation to hide the lie she told about Lloyd been being her father and having children. She also lied about what she did with all my intellectual property and deed to houses ,publishing business earnings and printing cheques.

They tricked me by telling me they will return the books when I get older. Some made excuses that I was too young to have my own property. This criminal enterprise has been misleading family and friends about everything, from who are my real parent to who are their real parents and also misleading judicial and other officials to get to my businesses and other assets and bank accounts. They also told judicial officials what my inherent and secret scientific material is.

They have all been working together to steal, loot, embezzle my accounts and property, they falsified documents and have false power of attorney. They are using fake names to buy several properties in Manhattan and Seattle. They claim Lloyd Been died but cannot present a death record or tombstone because they don't know Lloyd Been. They only heard stories from islanders of Salt Cay along what they got from books they stole.

I am the proven King of Windsor, Turks & Caicos and America given to me by biological father King George VI in an inheritance. I am also the first man reincarnated. You can test me. I have been tested before . The people on this list have destroyed and hidden my documents and all government documents to prove this. I've had to put out fire that Gerdes set to my books that they have stolen from my houses. They sometimes brought crowds of people to distract from what they are doing. This happened when my son died. I never received my inheritance from Gorge Been.

Reincarnation story

Kevin Lee, the first man that was reincarnated still lives in New York in his county of kings. He was reincarnated many times in his native land of Turks & Caicos Islands. He is known since

1984 as Kevin Lee who came to America as a boy simply named Lloyd or Albert. He has many historic status and titles such as Abdullah Yusef Ali, Lord King George, Jesus Christ and more. On record he's been living through reincarnation since the 17th century .

In the 19th century the king and his sons had fought many wars defeating Masonic slave masters, political asylum camps, Hyde's, purgatory , exile prisons and other societies, claiming land or power sources stolen from the kings homes and secret rooms when he was tranquilized as a child.

Kevin also known AS Lloyd George Been is the last reigning king of Windsor, Turks & Caicos Islands and America. This was given to him in an inheritance by his father King George VI. That's where he was given the name America King and Albert . This young man also serves as Hip Hop's cultivator with the largest investment in the culture at the building stage, helping to commercialize it. He also invested in the first Hip Hop rap major record label Def Jam Records all found in his book Hip Hop the Last Religion available on Amazon.

Kevin is also an activist who won the F.B.I in a lawsuit at the end of the 2008 recession. This young man has been putting in work since he was a child with campaigns such as "VOTE OR DIE" with P. Diddy or "WATER FOR LIFE" with Jay-z. Kevin was a model, writer, director, producer and editor. He is also a skilled musician who played the drums in churches for many years. He is also a skilled sound operator who is exceptional in live analogy and theatre sound design and operations.

During the 80's until 2010 Kevin spent his time writing for some of today's top recording artist with hits such as Jay-Z's("Lost Ones), 50 Cent's 50("In Tha Club & 21 Questions"),Ll Cool J , Beyonce , Biggie & Tupac. He has also been in Hollywood with the classic films starring Denzel Washington (Fallen).He also was script supervisor for movies like "Belly and Love and Basketball."

For the last ten years Kevin has been shooting short videos, editing and shooting videos for Jay-z's Rocafella Records "Memphis Bleek" by Beanie Siegel. He also interviewed heavy weights like the owner of the Source Magazine, Maino, and Mike Jones, producer Rockweiler, DJ Envy, DJ Kayslay, and Angie Martinez. Kevin also serves as the first artist on Michael Jackson's record label "Wonderland Records".

Since the 1900's it's been a proven fact that King Jesus Christ known in the 1930's as Yusuf or King George lived in Turks &

Caicos Islands as Yusef and in England as the king at this time. Reincarnated again around the 1950's he used the name Lloyd George Been after a murder attempt in 1952. His family cloned his body after the 1954's murder attempt and he changed his name to Lord George Been or Kingsley Been in salute of remembering his governing name King George.

In the 1980's the king reached accurate age to accept his inheritance and that's when he started his new business venture, DEF JAM RECORDINGS. In 1983 he was victimized by his tranquilization and now reaches accurate age to receive business investments and more.

List of Legal names and variations used since 1980

Reincarnations has been proven in the case of George Albert

later known as Lloyd George, where family gave alias of the king to other family members to claim inheritances and bank accounts left by the king. This scam has not stopped even to date, because city, state and federal officials haven't made the proper business changes for this new structure in the American society.

These officials have ignored these developments starting in Turks & Caicos where many activist, religious & iconic figures have visited and believed Lloyd is reincarnated because of his work in human carnality. Precincts also have many reports of these cases, historic figures abducted to "Exile" in unbelievable manners and some emigrants migrated from Turk and Caicos Island using multiple aliases of the King.

A list of aliases and different variations used by identity theft scam circles all referred to the name Kevin Lee since 1984. Sun , Abdullah Yusef Ali, Abdullah Yusuf Ali , Abdullah Yusif Ali , George Been, Yusef Ali , Loyd George , Lloyd George Been , Lloyd Been , George Albert , Albert George, Kingsley Been , Kingsley Lee, Kevin Lee, Nashawn Lee , Loyd Lee, and Kenneth Lee.

What is Reincarnation?

Reincarnation is the act of your soul or spirit exchanging or transferring bodies . There are many forms of reincarnation because of the various reasons why reincarnation came about. Cloning is one form of reincarnation, tranquilization, reborn reincarnation, illegal reincarnation & modern reincarnation. Reincarnation is derived from the word "Carnation" meaning human life or living vessel. For many centuries it has been what some may call beyond human knowledge, the explanation of the material or substance human skin or body organs are made of.

Reincarnation was thought to be myth until after the "Civil War". The Civil War was the freeing of slaves some from concentration camps some held in Masonic Slave Camps after getting caught using the "Underground Railroad " to escape. The method used by King Jesus and his royal army cannot be explained to date. Some of the enslaved still live today . That's where names Abdullah Ali , Mary, Kathy ,Steve and more became popular. When reaching the United States the Federal Government offered these people numbers. When the king heard of this he was furious and gave them citizenship in America.

Reincarnation was ignored by public officials for decades. In

this decade it's important to teach about reincarnation because of the degradation to your bodies. The Federal Government and F.B.I agencies have brought harm to the people because of the unknowledgeable personnel holding and operating the "Kings" power source devices and historic documents.

Disease is one body harm that the two agencies have caused with no proper understanding of human Life."It takes a human corpse and soul to make a human body" when some of the slaves were freed the souls were sent to anybody on land souls carry feminine genes.

Investigation Summary

We at the Royal Commission would like the world to be alert of historical facts and updates in modern civilization . This year marks the end of a decade and brings the Mason's Myth of the end of the world, being the destruction of human civilization .

For the last century the case of George Albert has been opened and closed many times with the concluding investigation resulting in his reincarnation, ethnic transformation surgery, involuntarily by family and friends of the king . Many celebrities, historic & iconic figures have made this case of King George a laughing matter because of the social discomfort. In King George's case in 2009 at the age of 25 he has 75 year old children. Many did not feel comfortable saying their father is a boy , or what if your daughter is 20 and your 25 it sounds like a good story but it's a fact.

Now with the F.B.I and C.I.A being investigated for the cover-up of these details and the mishandling of the king's property since 1952, because he was a mere boy awaiting his belongings and inheritance. The F.B.I was formed because of the case of King George in the 40's. Documents were found that showed that he left his body a day before his death, supporting the theory of reincarnation.

When the Queen at the time found him with his old family she then plotted his death making him unable to re-enter his body. Mason medical examiners were later arrested for falsifying his examination. The place where the body was found on Turks & Caicos island with him using his power source to transport the

body makes this unbelievable but true for the real family of King George.

The Queen was then dethroned in 1954 mainly because of the conspiracy to murder King George V&VI and the degradation of her character. When the Royal Army found out all of these details they then informed the king that her soul was replaced, meaning it was a different person in the body at the time of the disruptive behaviour. This is what King George calls "Spirit Hopping", not a mystery of far tongue. To many elderly ,historic or religious figures in society it's normal to leave your body and go to your next, although kept confidential for many reasons, uncool to talk about, and unbelievable to the unbeliever. But look how much damage, rather than good is done to yourself and civilizations.

It was a fact in the case of Lloyd George Been, the name and body of King George that was found on Turks & Caicos Islands. Some call it his getaway pad where Miss Irene Been Leggett and her husband Sandy Leggett kept him comfortable. Others called it his "nigga" family unhappy pad where the king spent time with his other family. The Queen personally was upset catching him many times on the island with concubines.

Spirit hopping was found true because of the families that came from purgatory, Hyde's, was exiled to Salt Cay, then transported all over the world.

Throughout the 19th century many families were slaves to Masonic organizations, living in dungeon like atmosphere. Miss Irene housed some of these people. Yusef the young grandfather also contributed to their stay helping to fund businesses for the family when they reach the United States. Others disrespected the islands looting, learning the king's family business and mishandling business purposely. Many times in the 1900's the house of Irene Been has been burglarized.

The amount of problems and the severity of their actions is what made "Spirit Hopping" which is the ability to manage or operate a human corpse sometimes while the individual is in the body made it a crime . This is mostly done through sleep. When an individual is asleep the spirits gets in the body awaken the body without awakening the soul . The only way you can tell is by marks if any that is on the body from the night they used it. In some cases the spirit is awaken in the middle of action usually if the person is angered or hurt. The main soul comes to the top or is awaken, for centuries. The Royal Army has dealt with these cases.

Lloyd Been's case is remarkable, because of the loop in time in the 1950's when Lloyd then known as Yusef in his kid body told F.B.I. and C.I.A. agents that his toy or harmonica could control the world they took it as a game or joke. The loop is now the evident in society, some of the fads never leave, they come back in different styles and manner. But the loop led to the false family of King George claiming his property due to his memory loss. Every few years they take part in a international identity theft and money laundering scandal because of the unknowledgeable personnel at local F.B.I and C.I.A offices.

There is a new Judicial System and Army of Executioner's ready for duty globally. These officer have been assembled by the king of the world. The son of King George VI has reached accurate age to receive his crown and inheritance . This court system is the highest courts on earth with parliament, FBI, and police department, congress and senate under its umbrella mandated by the kings.

Royal Commission Executioners Inherent war

We are alerting you of a war starting in 2018. The King of the world will be taking an operating seat at the world's table. King Ali formerly known as King Albert of Windsor, the son of King George VI will be at war with congress, politicians , and anyone claiming to be the first family. According to the law anyone who tampered with secret scientific material will be executed onsite by firing squads.

A new Constitution will greet us for the new year signed and decreed by King Ali.

Explanation as to why Congress is going to war

Congressional figures and all other political figures will be investigated by the Royal Commission Executioners Office for conduciveness in society today. The abuse & waste of city, state and federal budgets is the reason why we have seen several recessions and a great depression under their watch.

After King Ali ended the 2008 recession by enlightening the court system with a one page merit declaration which shows how government banks work. There are no deposits made just withdrawals which means that Congress had the power to make everyone in America a millionaire and it would hurt the economy

only strengthen it, but the federal government and the Obama administration made no effort to end homelessness in America. We are suspending politics in America as of 2018. All congressional seats will be put on hold, we want to see how much money we are freeing up marking the end of politics.

After a proper investigation it was discovered that the money raised in taxes do not even cover salaries of city state and federal employees.

The transit system brings in the most money which was founded by King Ali's money, and congress and politics have taken the money and abused it, charging more for fare when they do not need the money. Also politics has the transit system operating independently. Any money raised in fares is used for track repairs not salaries. Salaries are paid by the city or state government.
