ACTIONS THAT MUST BE CARRIED OUT TO PERMANENTLY REMOVE, DEPOSE, DETHRONE AND RESTRICT CONTINUOUS UNJUST ACTIONS SINCE THE 1950'S

1. Cooperation with a con scheme to adempt the king, ruler and God.
Going as far as using preternatural to cover up and indulge in unjust actions.
2. Intentional ly and ingeniously implementing laws, acts, status policies,
rules, procedures, processes etc. This was proven with the Regency Act of
1937 which was created intentionally when the queen found a true royal or

God who had hundreds of trillions on the islands with uncle, father and good friends.

The queen denied their dying wishes for the young ruler, the only proven living God to receive his land and other royal and business dealings. The queen, using feigned ignorance to cover up facts, moving books and documents from the ruler's house where the queen's father and uncle came as visitors for the purpose of studying.

Due to the sneaky, secretive nature of the previous women and men in the British Monarch, King George VI and brother kept the young rulers powers a secret. With the queen not of proper age to understand world dealings or power sources, she was young and sheltered to facts like most royals or celebrity kids and did what she wanted for 50 years; marking 20 government shut downs and an obscene poverty rate with no one overlooking monarch duties, leaving God in no good feeling to leave the monarch open.

3. Deviating from its original purpose.

4. Misappropriating "my" funding and currencies.

DEFINITION AND PURPOSE OF MONARCH

According to the dictionary it is a form of government and politics.

The proper purpose of government is as the founding fathers recognized, to protect people's inalienable rights to life, liberty, property, and the pursuit of happiness. The rule of law requires that people should be governed by accepted rules rather than by the arbitrary decisions of rulers. These rules should be general and abstract, known and certain, and apply equally to all individuals.

Constitutional governments are based on a previous commitment to freedom under the rule of law. The essential attribute of constitutionalism is a legal limitation on government. Under constitutionalism, rulers are not above the law, government power is divided with laws enacted by one body and administered by another, and an independent judiciary exists to ensure laws are administered objectively. An efficient and effective constitution allows government to function to protect the lives and liberties of citizens without violating the rights of some to provide gains to others.

LEGAL & KNOWLEDGABLE PURPOSE OF POLITICS

- To enable the members of society to collectively achieve important human goals, safety, order and welfare of all.

DEFINITION OF POLITICKING

- To talk or politick about topics, no change or resolution required.

- In the Urban Dictionary of Politics it is used in slang or Ebonics as polling, chilling, relaxing.

British monarch including Harry and William, known since trio was a lad may have denied ever meeting ruler or God because of a mummy rap non-medical procedure which changed the structure of my face in the late 80s-90s. Some unintentional, because of the sensitive topic of reincarnation, even denying future revelations to be revealed or made public like "dream weaver experiment" sessions which led to my ruler/god biological children, family and friends living in poverty stricken neighbourhoods some of whom were raped, molested and encouraged by millionaires and celebrities to get jobs as (strippers and porn stars) to seemingly belittle or dishonour the king's family friends and legacy, to give the appearance of being delusional etc.

This was dismissed in Mental Health Court after congress sent a statement to intentionally adempt me. Also situations leading to government not having enough funding for society because they were personally hiding government money with government shut downs, six recessions and great depression now under the queen and this bitch still doesn't at least read the paper in the morning.

With backing from corrupt Obama's administration whose main agenda was to kiss ass for eight years, promising change, living with excuse like, (he inherited someone else's problems), illegally covering up lawsuits by rulers. That proved that financing is in the government and to place one million dollars in the hand of the poor was too much caring, change for this coward black man for the poor who end up with 40 million dollars after coming in the White House with seven hundred , then the policies in the form of a bill for him to sign change in the internet to even check old celebrities' worth, then detoured the secret service on the block of my job when he was supposed to go to court to see the lawsuit, but I am delusional.

American Press is worried about the queen's husband who wants a little freedom from wickedness of what Americans think. A king claiming to know kings and queens knows only self proclaimed kings like P. Diddy and Jayz, Barack Obama, Kimora Lee Simmons secretly observed by military with operations similar to Illuminati operating secretly in cahoots to intentionally adempt with acts of greed and hatred with criminal offenses as far as trafficking children. Using preternatural acts learnt from books they never reported moving when entrapping ruler was mentally ill in 2010.

They start by using star power or their celebrity to mislead commoners and paupers who were also poverty stricken to get to rulers property through re-routing finances. Proven intentionally starting with the excuse "Kevin is somebody's son, we know his mother or he did this before or he is a liar. He presented fraudulent, perjured birth certificate after a case # 101396 in civil court 2018." It was proven that Kevin was not born at the hospital. The physician agreed she lied to meet celebrities also another proof was that previous court records were removed, some intentionally by secret society which used ingenious and fiend ignorance to avoid litigation which left judges and law enforcement not looking at proof or totality of the circumstances.

King Ruler God 1900th century Records of God

On record living through reincarnation since 1909 coming back to his island Belfour Salt Cay, changing his appearance around the end of 1930's-1954 to Lloyd George Been who was said that people impersonating his family tried to kill him. Some claim he was swallowed by a whale or fish but no body was ever found and funerals were staged. Later it was learned the criminal enterprise made his body astral and inflected memory loss to forget his wealth, children or accomplishment and how to operate supernatural power.

At times the young Ruler would be attacked by criminal enterprise and left not even remembering how to read or write. Also framed attempts as a drug dealer or gangster around the 1950s after criminal enterprise was caught stealing his family bodies (Astral Body) to get to finances was caught selling drugs under his name and using his body unbelievable to American police and federal authorities but Turks and Caicos police knew of Lloyd's wealth. Many adempt attempts and supernatural power, also demonic disowned son Shareefe Gilyard and mother. She and some of the Elam family are repeat fugitives convicted and banished for parallel schemes. The local police of Salt Cay helped prove memory loss with bank account he forgot about

thinking he was poor but had billions of dollars in accounts in the house.

Found around 1954-55 out his body as a lost soul the king made the body he is in now holding the same body since the 1950s. Kevin, his name in the American states moving here around 1984 with loyal kids, family and friends holding many names like Sha or Shy Stubbs given to him by a family on the island who let him board with them for a little while after a demotion. Yusef was another name used until 1984 the full name is Abdullah Yusef Ali given honorary by writer Abdullah Yusuf Ali he wrote a version of the Bible with the deed to the world in it. Albert was a change of race for the young ruler, he first naturally changed with a soap that can change or lighten your skin complexion where I appear Caucasian later done with my power source and cosmetology. The change was just my way of saying black and white are the same "people" because of the conflict of slavery. Until the 1960's I had white families who took me in like those in Buckingham Palace and Windsor Castle.

Rick Rubin, the young Gods first business partner, the cofounder of Def Jam Recording the first major or commercial Rap recording label. Rubin mentor /consultant to America who started a now successful culture "Hip Hop", Albert was the body he did a lot of business in at the beginning of "Hip Hop". Rick Rubin didn't believe it was me at first in the states because of "Shareefe" cloning me for cowardly acts of hate, jealousy of wealth and family bond between daughters and scared of criminal due process, but the money, knowledge, work ethic, writing and documents proved everything to Mr. Rubin. It was the only way I could prove it after a previous ademption and stolen documents.

Russell Simmons cooperated with a scheme to cover up history and ancient facts and intentionally helped then wife Kimora and Rulers biological daughter Aoki a staged daughter for Kimora in a international cover up and conspiracy to deprive and mislead billions of people and Ruler. He misled the world with fake or staged news reports and photo ops claiming that's his daughter leading to him being framed and caught in his current rape scandal that was investigated and was found that Kimora has an astral body and has been caught before in Russell's body. NYPD, 73pct, 69pct, Flatbush pct. and Federal system covered up reports and preternatural behavior and activity of Kimora Lee Simmons abusing her celebrity status to frame and entrap the innocent, acting concerned but have other motives. A lying or misleading informant leading to Russell Simmons' current character assassination because he lied and said facts were untrue and preternatural can't happen or reincarnation is a myth, not mythologically going along with Kimora and the criminal enterprise who are not as financially stable as Russell when he had to kick up much money and wanted out, they publicly assassinated his character and set him up to extortion sometimes they keep him silent with threats not to talk about topics as sensitive as preternatural rape.

Kevin, George, or Cigs or America King author "Mr 50million" in just 3days and Nas, said Hip Hop dead, Lol! (Luv ya Nasir) was used after 1984 after learning about the "Poverty Stricken Epidemic" in United States and worldwide living seemingly sheltered on his small island. His currency in government accounts (Federal, State, Monarchs) has been misappropriated, misused, mishandle, among other charges. With no resolution politically or from federal system, not even a thought process for governments whose sole purpose for assembly and establishment is for better care and upholding the rights of its citizens. These institutions have strayed from their original purpose.

Bringing the military to conduct a military review before a guaranteed economical infusing to the hand of the homeless, poverty stricken, poor and deprived.

The divine right of kings, divine right, or God's mandate is a political and religious doctrine of ... The state of **monarchy** is the supremest thing upon earth, for kings are not only God's lieutenants upon earth and sit upon God's throne, but even by God ... For there is no power but of God: the powers that be are **ordained** of God.

[meaning - 'Preternatural' vs 'supernatural' - English Language ...](#)

<https://english.stackexchange.com/q/34643>

The fruit of the action of an angelical or demoniacal nature is said to be **preternatural**. The word comes from "praeter naturam", beyond nature. **Supernatural** is the action which goes beyond any created nature. This form of activity belongs only to God.

By the 16th century, the term "**preternatural**" was increasingly used to refer to **demonic** activity comparable to the use of magic by human adepts: The Devil, "being a natural Magician ... may perform many acts in ways above our knowledge, though not transcending our natural power."

Paranormal:

"*para*" is Latin for "beyond" – so it literally means "beyond natural"

"claimed occurrence, event, or perception without scientific explanation, such as extrasensory perception"

"beyond normal explanation; outside normal sensory channels; extrasensory"

"not scientifically explainable; supernatural"

"defies science; against reality"

Supernatural:

"not existing in nature or subject to explanation according to natural laws; not physical or material"

"attributed to a power that seems to violate or go beyond natural forces"

"attributed to God or a deity; demigod, spirit, or devil"

"preternatural"

"attributed or pertaining to ghosts, goblins, or other unearthly beings"

"an order of existence beyond the visible observable universe; related to the realm of the unexplained"

Preternatural:

"surpassing the ordinary or normal"

"extraordinary"

"transcending the natural or material order; supernatural"

"existing outside of nature"

"another word for supernatural"

1. GOD - supernatural
2. Vampire – preternatural
3. Ghost – paranormal
4. Zombie – preternatural
5. Werewolf – preternatural
6. The Fey – supernatural
7. Alien – supernatural
8. ShapeShifter – preternatural
9. Poltergeist – paranormal
10. Witch/Wizard – paranormal and/or preternatural – which one would it be? Paranormal because it goes beyond the five senses but Preternatural because it goes beyond scientific explanation but is from this world.

§ 165.07 Unlawful use of secret scientific material.

A person is guilty of unlawful use of secret scientific material when, with intent to appropriate to himself or another the use of secret scientific material, and having no right to do so and no reasonable ground to believe that he has such right, he makes a tangible reproduction or representation of such secret scientific material by means of writing, photographing, drawing, mechanically or electronically reproducing or recording such secret scientific material. Unlawful use of secret scientific material is a class E felony.

Inherent | Definition of Inherent by Merriam-Webster

<https://www.merriam-webster.com/dictionary/inherent>

Inherent literally refers to something that is "stuck in" something else so firmly that they can't be separated.

in·her·ent /in'hɪrənt, ɪn'herənt/

adjective

1. existing in something as a permanent, essential, or characteristic attribute.

Astral projection is a paranormal interpretation of out-of-body experiences that assumes the existence of one or more non-physical planes of existence and an associated **body** beyond the physical. Commonly such planes are called astral, etheric, or spiritual.

Astral body - Wikipedia

https://en.wikipedia.org/wiki/Astral_body

Astral **body** is a subtle **body** posited by many philosophers, intermediate between the intelligent soul and the mental **body**, composed of a subtle material. The concept ultimately derives from the philosophy of Plato: it is related to an **astral** plane, which consists of the planetary heavens of astrology.

Astral Body — What is an Astral Body? - Ananda.org

<https://www.ananda.org/yogapedia/astral-body/>

The **astral body** (also called "energy **body**") is the type of **body** one possesses in the **astral** world, where most beings go after death. It is made of prana, or life force.

Astral projection - Wikipedia

https://en.wikipedia.org/wiki/Astral_projection

Astral **projection** (or astral travel) is a term used in esotericism to describe a willful out-of-body experience (OBE) that assumes the existence of a soul or consciousness called an "**astral body**" that is separate from the physical **body** and capable of travelling outside it throughout the universe.

Remote Viewing And The Lost Plane In Africa

“Concerned that a psychical (PSI) gap existed between U.S. and Soviet paranormal research efforts, the CIA sponsored discreet research into paranormal phenomena commencing in 1972. Over the succeeding twenty-three years, the U.S. military and intelligence services were actively involved in paranormal research and operations involving a process known as remote viewing. Remote viewing, which produced specialized human intelligence support, served as part of overall military and government organizations’ intelligence collection efforts.”

According to Carter, **“the woman went into a trance and gave some latitude and longitude figures. We focused our satellite cameras on that point and the plane was there.”** (source)

According to Paul H. Smith, PhD., and one of the participants in the Stargate project (now a retired US army major), gives us more detail from his book that is sourced below:

“In March 1979, a young Air Force enlisted woman names Rosemary Smith was handed a map of the entire continent of Africa. She was told only that some-time in the past few days a Soviet Tu-22 bomber outfitted as a spy plane had crashed somewhere in the continent. The United States desperately wanted to recover the top secret Russian codes and equipment the Tu-22 carried. Using their remote viewing skills, she pinpointed the wreckage, even though it had been completely swallowed by the jungle canopy into which the jet had plunged nose first.

Stargate Project was the 1991 [code name](#) for a secret [U.S. Army](#) unit established in 1978 at [Fort Meade, Maryland](#), by the [Defense Intelligence Agency](#) (DIA) and [SRI International](#) (a California contractor) to investigate the potential for [psychic](#) phenomena in military and domestic intelligence applications. The Project, and its precursors and sister projects, originally went by various code names—GONDOLA WISH, GRILL FLAME, CENTER LANE, SUN STREAK, SCANATE—until 1991 when they were consolidated and rechristened as "Stargate Project".

Stargate Project work primarily involved [remote viewing](#), the purported ability to psychically "see" events, sites, or [information](#) from a great distance.^[1] The project was overseen until 1987 by Lt. Frederick Holmes "Skip" Atwater, an aide and "psychic headhunter" to Maj. Gen. [Albert Stubblebine](#), and later president of the [Monroe Institute](#).^[2] The unit was small-scale, comprising about 15 to 20 individuals, and was run out of "an old, leaky wooden barracks".^[3]

The Stargate Project was terminated and declassified in 1995 after a CIA report concluded that it was never useful in any intelligence operation. Information provided by the program was vague and included irrelevant and erroneous data, and there was reason to suspect that its project managers had changed the reports so they would fit background cues.^[4] The program was featured in the 2004 book and 2009 film entitled [The Men Who Stare at Goats](#),^{[5][6][7][8]} although neither mentions it by name.
