INVESTMENT, COMPANY RECORDS, BANK ACCOUNT INFO HAS BEEN HIDDEN, STOLEN, WITHHELD INTENTIONALLY FROM RULER WITH "LEGAL HERE SAY" AS PROOF USING HIS SENSITIVE CASE OF REINCARNATION OR HIS HISTORIC STATUS AS A WAY TO ENTRAPMENT OR IMPRISON . SUSPECTS HAVE GONE AS FAR AS ATTEMPT & SUCCESSFULLY DESTROY GOVERNMENT RECORDS, CASES REPORTS, STATEMENTS , CASE EVIDENCE ,ATTEMPT TO OVERTURN SEALED CASES,DECEITFULLY INFORM ON POLICIES, LAWS, RESTRICTIONS, PROCEDURES,& PROCESS TO ENTRAP ,FRAME ,DEPRIVE ,ADEPT ETC. Historic figure has numerous accounts in several banks over the years(since 54 or 84 in US) impersonators withholding & hiding accounts and funds have 1)Placed smaller amounts in several banks making name changes like Sha to Shareefe or Kevin Lee to Kevin A. Lee then get a man (some have gone as far as use look-alikes & clones seen in teller surveillance footage) to perjuries documents to get and present Id to withdraw or open new bank accounts one way they re-route funds with the length of time criminal activity has occurred. 2)Some were honest holding for biological children and later expenses needed now. Most were trying to entrap or hide from biological children, family ,friends ,authorities and me . Using stolen documents (social security numbers, tin, ein) creating bank accounts in my names and alias confusing bankers,tellers,CEO's,branch managers etc. Given

the impression of fraudulent or grandiose action by Kevin .Banks proved decades before Kevin as rightful owner of funds in those accounts recently with 142 pages of accounts found in Citi Bank under the name Kevin Lee (confidential held location) numerous Kevin Lee accounts found in Chase banks with know chinese owner or proof for the name or other account details . Policy's ,laws, restricting processes and procedures made currently (10years) have been change deceitfully by ingeniously concerned informants going as far as lying to change codices in bank account software to not take or verified accounts all to deprive when hearing of a USA & Allied International Forces approved military plan for poverty where anyone making less than 100,000.00 yearly will receive a check (now change to direct deposit) that could equal 1million dollars after a silent documented by tribunals "Federal & Us funding Revelation" in a case to see the "World Flip or Infused" .

The Young Ruler has a account with him during living in poverty that is secure but old created with "First Investor Government Fund" a International Fund to end poverty .Made by me and my deceased son George Been who preternaturalism killed because of his wits, heart ,tenacity using astral body tactics taking over his body to mislead family ,friends, associates banking officials about this particular account after he proved & learned personally government fees & taxes is not enough capitol coming in to fund entire nations, continents or countries. Politics are capitalizing unnecessarily as a tradition . The account & bank was purposely hidden by family ,friend ,militaries , monarchs , Britain ,England . Approval was given by major banks owners when meeting in Turks & Caicos to use their Routing Numbers implemented by CEO's at the time to help hide the account. When owners visited and some alerted they experience hand on the misleading , lying etc. impersonator use. In a attempt to use the hundreds of trillions stuck in account because preternaturalism stole our bank from his home so Rulers protection would be limited or seemingly under funded for missions. These attempts to steal bank info to stop accounts in any way has been tried numerous times since the 50's. Kimora Lee Simmons recently guided husband to accounts just this year he pleaded guilty to stealing billions from another Rulers account to end poverty.

Miss Irene Been Leggett was legal to handle some of Kevin's operations in the states victim of astral body or stolen body where preternaturalism use secretes scientific material held confidentially in Kings home in Salt Cay . Since before the 1930's Years of slave ships,pirate ships unknowingly viewing Salt Cay as unfound territory or unclaimed land .Illegally immigrating to the islands as ingenious feign destrawt disenfranchise all a plot to loot ,steal,rob ,adempt from local islanders and Wealthily men and women. Around 2000 her and her son co-creator of bank account died a year apart . Learning this impersonators even her son Kingsley open up old schemes he was prosecuted for then stole his own evidence reports and sealed deposition from house where i was living in Brooklyn then act naive about and local precinct has documented proof that government documents were left at Kevin Canarsie .

Suspects are all well informed about Historic figure sensitive state of Reincarnation & Accumulation of wealth choosing to act ingenious after proven several times threw witnesses ,scientific ,medical,historians,documented tested proof some even able to learn about Rulers powers source reading books that taught this starting in Historic figure SALT CAY home.Some Given the chance to how make innovative inventions and creations business others not given permission sneak to get to book weather its "inherent"(in some one body while they are reading) or astral body (taking over someone body able to walk & talk for them using this to fool people to gin up information learned in books).Finding out later secretly behind the Kevins back they were operating in preternatural using what they learned in books creating acts similar to witch craft or voodoo and claiming accounts business they never paid investments on staging deaths among other charges. All to defame, adempt ,suppress & steal etc from young Kevin family, friends and believers to get to wealth mainlyWhen questioned or caught several times in lies suspects all seek to entrap or frame innocent people with JAIL time when unsuccessful at lying to officers to make suspicious arrest suspects has gone as far as stole police body and Judges (astral body) to place innocent in jail for decades with outlandish charges proven perviously by Judges reviewing minutes & officers complaining of experiences similar to waking up in their body with innocent in custody detained,even mental health stigmas calling facts or people lives crazy ("crazy" is not a mental disorder its a assignation of character)operating as lying informants or seemingly concerned all with alternate motives to cover up illegal actions some knowingly facing punishments as severe as capitol punishment for preternatural acts . Learning any one not given permission to operate Rulers Supernatural power source is operating in preternatural which in law is demonic.

**"Fallen" Feature Movie starring "Denzel Washington"** : True story's , reports and cases from Royal Commission Executioner's preternatural ,inherent missions explained to a generation in disbelief but exceptive because they were personally effected by preternaturalism in poverty stricken neighborhoods heavily from the 50's -1991.

**"Down to Earth" Feature movie starring "Chris Rock"** : A comedic approach bringing closure or understanding on what happens to any one forced out their body (outer body experience). A real experience for some celebrity Kimora Lee Simmons has been perviously been caught tricking or black mailing people out their body targeting drug addicted,homeless shelters, disenfranchised and vulnerable similar to 1980 reports that she even made people sign documents to sell their soul . This movie explains astral body and inherent to generations to come.
